

Capturing My Memorable Moments

Through the use of a victory board, a scrap book, individuals will be reminded of their accomplishments, moments when they overcame obstacles and their strengths.

Each individual will develop a time capsule which may contain future hopes and dreams.

The group is an opportunity for individuals to express their identity and hopefully increase their sense of pride by sharing with others in the group these great moments and events in time. Individuals will need to bring copies of pictures, awards certificates or have some representation such as a picture, object or written word of the obstacle that was overcome. Snacks will be provided.
