ASD Job Readiness Program

At the JVS Toronto office near Dufferin St. and Lawrence Ave.

A unique six-month program that helps individuals on the Autism Spectrum, including Asperger's, find and keep a job.

If you've been diagnosed on the Autism Spectrum, this program will help you to:

- Identify your workplace skills
- Explore careers matched to your personality
- Improve your social and communication skills in order to find and maintain a steady job

YOU WILL LEARN:

- How to disclose to employers
- Communication and workplace etiquette skills

PROGRAM INCLUDES:

- Eight weeks of vocational workshops & assessments
- One-on-one employment counselling
- A paid 14 week work placement with job coaching support
- One-on-one help to find and keep a job
